**APPLICANT SIGNATURE**

The applicant acknowledges that he/she has the sole responsibility of complying with the requirements of any applicable Hartland Township Ordinance notwithstanding the signature or approval of any employee(s) or official(s) of Hartland Township and that Hartland Township is not bound to recognize the approval of other action of any such employee(s) or official(s) which is not in compliance with any applicable Hartland Township Ordinance.

Land division approval does not guarantee that resulting parcels meet or conform to all applicable Township Ordinances and does not include representation or conveyance of rights in any other statute, building code, zoning ordinance, deed restriction or other property rights.. The owner further acknowledges that all the information provided in this application is true and accurate to the best of the owner's knowledge. The owner authorizes the Township and/or its representative to do a site inspection.

Approved surveys must be recorded with the County within thirty (30) days of Township approval, unless a written extension is provided by the Township Assessor. Only the survey stamped APPROVED by the Township shall be recorded with the County. Tax identification numbers will not be assigned to a parcel until documentation of recording has been provided to the Township Assessor.

Furthermore, I understand that even if this division is approved, zoning, local ordinances and State Acts change from time to time, and if changed the division(s) made here must comply with the new requirements unless, deeds, land contracts, leases or surveys representing the approved division(s) are recorded with the Register of Deeds or the division is built upon before the changes to laws are made.
