

## HARTLAND FARMERS MARKET

Dear Prospective Farmers Market Vendor:

Exciting things are happening for the 2017 Hartland Farm and Flea Market! This is our 14<sup>th</sup> year of operation, and our first season at our NEW LOCATION in the **Rural King** parking lot at 10400 Highland Rd, Hartland, MI (behind Burger King and Dairy Queen).

For a very affordable price per week (\$10), you can set up your spot and join in the fun and profit! **Opening Day is May 20:**

- The Farm Market runs every Saturday, May 20 through October 14
- The Flea Market is the first Saturday of each month
- The Garage Sale will be on the third Saturday of each month

If you want to save and pay the yearly price, please send back your [vendor application form](#) and indicate that you will be paying on May 20 at the opening of the Market, if your payment is not enclosed. Those who pay by May 20 will get FREE ADVERTISING on the next printing of market bags.

We MUST have a copy of your liability insurance for you to participate in the market. If you don't have one for your business, your homeowner's policy will do.

Please mail, or fax back your vendor application form to FAX# 810-632-1033, to insure your spot for the upcoming year (please note that the market has become very successful; sending in your form does not guarantee a spot).

MORE vendor information is available on the [Hartland Township website](#).

Sincerely,

**Kathie Horning**
